

On Sunday 9th September, Loxton Field and Game hosted the Loxton Hotel SAFGA state compak titles. 48 shooters competed over 4 grades. A beautiful spring day with gusting winds and a challenging course set the scene for a great day of competitive shooting. 100 targets were shot over 4 different courses. Competition was tight with placings for 3 grades being decided via a shoot off at the end of the day. Everyone involved had a fantastic day and was wonderful to have so many spectators come along to witness a high class shooting event.
