

2025 State Qualifier

4th State Team Qualification Shoot

**Held on
Sunday 15th June**

75 Target Event

Rocky Gully Sporting Clays

Strong Field Competes at 4th SA State Team Qualifier

Rocky Gully - Monarto

A total of **66 competitors** nominated for the fourth **South Australian State Team Qualification event** held at **Rocky Gully**, drawing a strong field of local talent and visitors alike.

Competitors were treated to **ideal autumn conditions**, with a top temperature of **16°C**, from an overnight chilling 7.0°C. Whilst it seemed hotter than the prediction it was quite a pleasant day with mostly clear skies, and minimal wind—creating perfect conditions for shooting Sporting Clays.

The course well received, a possible was there for all grades, whilst there three possible shot during the event. Highgun went to Joe Densley with an impressive (25,23,25) 73/75 also the only person managed to obtain not one but two possible. Breaks awarding him with two club possible badges.

The State Board wishes to acknowledge and thank Rocky Gully Sporting Clays for their contributions in running the **4th Leg of the State Qualifier Shoot**.

The next event will be at **Kieth FGA** held on **Sunday, 6th July**, featuring **75 targets** and marking the **fifth leg of the State Qualifier shoot**.

The last Supper

The Last Supper — Yes, but not quite!

The original mural painting represents the scene of the Last Supper of Jesus with the Twelve Apostles, as told in the Gospels. The renowned artwork by Italian High Renaissance artist Leonardo da Vinci dates to around 1495–1498.

The picture to the left, however, tells a different story. It's a modern snapshot capturing a typical Saturday night at the Rocky Gully clubrooms before most shoots. After a day spent on pre-organisation for the event, we sit down to enjoy each other's company with a well-earned cook-up.

On the menu (for those who missed out):

Oven-roasted pork belly with potatoes, served with crusty oven-baked bread

Freshly made chicken soup, which was especially welcome on a cold night, thanks to the club President Alex Button for preparing it!

Your more than welcome to join us next time !!

Photographed by Michael Vasileff

Rocky Gully Atmosphere

It is very pleasing to get feedback each time after a shoot. I share with you a recent email below from a member of thanks to the President: Alex Button.

Well done to everyone involved, it's really good to see members noticing the hard work and extra effort that's going in. Let's keep the momentum going and continue making Rocky Gully a club people enjoy being a part

of.

Store-Data

We are an Adelaide based I.C.T Support and Data Backup Provider

WHAT WE DO.

Protect your Cloud and Onsite Local data.

- ☁ Entirely cloud based – Backup for all your Office 365 Business Data.
- 📁 Any number of devices – Protect all your users data.
- 🔧 Disaster recovery – If the worst happens, Restore your office 365 Business data can commence within minutes.
- 🌐 Access from anywhere – Your data from where you needed it, need to work from home or remote office, no problems.
- 💾 Backups – With Office 365 backups 3x snapshots are taken for all your users everyday.
- 📞 Modern vPBX – NBN ready phone systems for your whole business, saving you money and with modern features.

BACKUP AND RECOVERY

Protect your Cloud Data and Onsite Data, Different setups require different methods of backup, speak to us about your needs.

CLOUD COMPUTING

Need Cloud Hosting for your online service, we leverage the power of Azure, for worlds best uptime and security.

IT SECURITY

Your Data is protected to best in class servers for both your cloud data and local backup solutions, your data is protect and encrypted.

Based in Adelaide we support small and mid size business here in South Australia, but can and do also remote support companies with offices and staff interstate.

Store-data started for the sole reason to be able to protect our customers data from loss from local failures, at a fair price as competitors at the time were very expensive

Since then the cloud based services have become apart of the ICT landscape and Store-Data has added cloud back up support for our customers.

And over time we have expanded and added extra services and features as our customer base has required them, such as Could VM, dedicated server hosting, vPBX Phone hosting solutions, plus others.

We extend our sincere thanks to Alex Button for his generosity in sponsoring this event, and for his ongoing support of our community.
